FISCAL ANALYSIS

ASSUMPTION

The **Office of Administration** assume the proposed legislation would have no administrative or fiscal impact on their department. The proposal may result in a minor, negative impact on Total State Revenue to the extent that administrative penalties, fees, costs and fines paid to the Department of Revenue had to be refunded pursuant to the proposal.

Officials from the **State Treasurer's Office** assume this proposal would not fiscally impact their agency.

Officials from the **Department of Revenue (DOR)** assumes this proposal requires the DOR to refund administrative fees paid if an individual is acquitted of an intoxication related traffic offense. The Drivers License Bureau assumes this requires a refund of any reinstatement fees paid on a corresponding administrative alcohol suspension imposed pursuant to section 302.505. The DOR currently does reimburse the reinstatement fees paid in the case of an appeal and acquittal. If the sponsor intends the DOR to reimburse an individual for any other costs or fees associated with the acquittal of the intoxication related traffic charge, there will be a UNKNOWN impact.

<u>FISCAL IMPACT - State Government</u>	FY 2001 (10 Mo.)	FY 2002	FY 2003

<u>FISCAL IMPACT - Local Government</u>	FY 2001 (10 Mo.)	FY 2002	FY 2003

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.
